evaluation. Let me know how it goes! Best of luck, Simon 28.11.19 - Ebenezer wrote: Hi Simon, I appyou keep your part 1 answers simple. Here are some examples of how I would simplify students' answered development in music industry will divide younger and older generation. My simplified answer: Of cosimply the medicine for my mind. When I am stressed, music remove stress. When I am happy, music sad, music picks me up and puts me in a positive frame of mind. The overview or summary is a very at the key features that I've highlighted in yellow below. Here's a two-sentence overview, describing significant growth in earnings. Some people say that music is a good way of bringing people of differ Main paragraph: how music connects people Conclusion: repeat / summarise But KiKi suggested an question contains two ideas: cultures and ages. It makes sense to look at these two ideas separately areas. Urbanisation is the defining phenomenon of this century; half of the world's population is urbaneed to cities to make them beneficial for all citizens. Cities need green transport and green as professor of psychology at Stanford University. There he conducted the Stanford prison study, in only after 6 days due to emotional trauma being experienced by the participants. Are the following subehavioural effects of life in prison. Examples are important because they bring your answers to life police officer firefighter soldier paramedic *Look up the phrase "bring something to life". What does	plied for the remark and result came out. My score was upgraded wers. Note: the students' answers contain some mistakes. Studentures, people from different generations have different tastes in a cinspires me to be more. It always in the centre of all my parties important part of your task 1 answer. Before you write your over the highlighted features: It is noticeable that export revenues in rent cultures and ages together. To what extent do you agree or alternative plan, which I think is better: Introduction: completely and use them as the basis for our two main paragraphs. This is an. Many people are enticed from rural areas by the of a laternative plan, which 21 normal college students were randomly assigned to be tatements true, false or not given? The participants in the study *. They make your message clearer and your answers more real. it mean? Here's a list of the 'less common' phrases that I used in	d to a 7. I'm so so happy thank you so much. Your priority in this answer:Logically people from different generation will have music. Popular music changes all the time, and most of us are swith friends. When I am sad, music takes me out glue and review, you need to identify the key features, trends or different all but one of the five product categories rose over the periodisagree with this opinion? Here's the essay plan that I asked a great way to approach many IELTS questions. Listen to the petter life. We need to improve living conditions for the urban housing and jobs to people to come to live there. Look a "prisoners" or "guards" in a mock prison located in the base were all psychology students. They were given the choice of Look at the examples that I used in my 'difficult jobs' answern yesterday's speaking answers. Notice that I'm highlighting	part 1 of the speaking test should be to demonstrate fluency, not deve taste variation. Depending upon the maturity, music stars of the influenced by whatever style of music is popular when we are greated forward. My simplified answer:Yes, I love music, mainly because. Look at the 'big picture' rather than small details, and summed shown. While petroleum products were the highest earning expedyou to think about last week: Introduction: completely agree Maicultures Main paragraph: how music connects different age groups following recording and complete the summary below. Click here in poor by providing adequate, clean water and One keep at the following extract from a text about a psychology experiment of the psychology building at Stanford. The two week planned playing the role of prisoner or guard. A real prison was used in the residence of the productions, not individual 'big' words. are difficult in	difficult grammar or vocabulary. You'll speak more fluently if their own age, impact of globalisation as well as technological owing up. Student's answer:Yes, I am fond of music. It is use it helps to put me in a better mood. When I'm stressed or their information without mentioning any numbers. Look forts in both years, the textile industry saw the most in paragraph: why music transcends cultures and age groups is Conclusion: repeat / summarise KiKi has noticed that the to listen There are more people living in cities than in text to making cities better is good planning. Planners int: In the year 1971, Zimbardo accepted a tenured position and study into the psychological impact of prison life ended be experiment. The study aimed to investigate the mental and its would be boring and abstract. concert pianist surgeon in the sense that they require a high level of skill that must be
developed through many years of study and practice might not require such high skill levels they are horrors of war that soldiers face life-and-death situations. Here are my sample answers to the questic the sense that they require a high level of skill that must be developed through many years of study a suppose we all want to do something meaningful. For some people, this means achieving a great and disagree with that. I think we all feel that our jobs are difficult or stressful at times, but in the grand A few people have asked me for help with the following task from Cambridge IELTS 14. Let's start we category or exports in 2016 compared with 2015. A student on my member site asked me about the following plan would work. What do you think? Introduction: completely agree Main paragraph: why transcends cultures"? Here's the full transcript for the listening exercise in last Tuesday's lesson. The vary a lot school by school. So some schools actually will have a minimum number of years of require looking for are your leadership examples that you're able to draw from in your life. And as a result, s from being involved in student government, or clubs, or organisations, or starting a non-profit organ became the first machine to win a chess game against a reigning world champion (Garry Kasparov) to 3½-2½. Deep Blue won the deciding game six, becoming the first computer system to defeat a reigning players had intervened on behalf of the machine, which would be a violation of the rules. IBM denied	ons in last Friday's lesson. Can you find any useful vocabulary in and practice. On the other hand, jobs like police officer, firefight bition that takes years of hard work. People who choose dangerd scheme of things we have nothing to complain about. A tight devith a simple question: Would you compare the chart and table, of following question: Some people say that music is a good way of music transcends* cultures and age groups Main paragraph: he se speaker talks quickly, so it's useful to see exactly what she say led work experience, so you should enquire with all the schools the some people actually come to us a little bit earlier on in their car issation, or having been involved in a family business growing up under regular time controls. However, Kasparov won three and ching world champion in a match under standard chess tournament that it cheated, saying the only human intervention occurred be	my responses? What are the most difficult jobs that people of the or soldier might not require such high skill levels, but the bus jobs might do so for altruistic reasons or because they feel the sealing or a lost computer file are really just minor inconvenience of the sealing of the sealing of the sealing people of different cultures and ages together. To work music connects people Conclusion: repeat / summarise *I was connected in the sealing of the	do? I think jobs can be hard for various different reasons. Some property are known to be extremely stressful and sometimes traumatic. We lit's their duty to contribute to society. Do you agree or disagree ences when compared with the horrors of war that soldiers face, or e of one country's exports in various categories during 2015 and 20 what extent do you agree or disagree with this opinion? (From Camadded the word 'transcend' myself (to summarise the student's poid day talking about the importance of work experience as you're contains are. At Stanford specifically, we don't necessarily look at a certative students who come directly after university, but they've got inclined in the classroom. Read the following passage about a chessent score of 4–2. Deep Blue was then heavily upgraded and played Katetimes saw deep intelligence and creativity in the machine's moves ify the program between games, an opportunity they said they use	ofessions, such as concert pianist or surgeon, are difficult in Why do you think some people choose to do difficult jobs? I that all jobs are difficult sometimes? I would have to rethe life-and-death situations that paramedics see every day. 016. The table shows the percentage change in each abridge IELTS 14, test 3) The student asked whether the int). What do you think I mean when I say that "music asidering different management programmes. Now this will in number of years of work experience, but what we're really credibly strong leadership examples to draw from: maybe it is playing computer. A) On February 10, 1996, Deep Blue asparov again in May 1997, winning the six-game rematch is, suggesting that during the second game, human chess do to shore up weaknesses in the computer's play that were
revealed during the course of the match. This allowed the computer to avoid a trap in the final game questioned Chess champion accepts defeat Program developers caught cheating A victory for artificity your life? I'm sure you remember a special experience, such as seeing a famous painting, attending a seeing a famous painting, attending a seeing a famous painting.	ial intelligence Yesterday we looked at two simple methods that	can help you to generate ideas for IELTS topics.
